

Macbeth Paymaster 6th, Lot 18

Pike County

SHORTHORN BREEDER'S ASSOCIATION

ANNUAL **SHOW** AND **SALE**

BOWLING GREEN, MISSOURI

SATURDAY, OCTOBER 29, 1960

*Some of the greatest bulls of the breed
are in service in Pike County*

**Their sons and daughters make up this
sale offering . . .**

Above, the 1958 Perth Reserve Junior Champion, Morphie Paymaster, in service in the Marmac and McIlroy herds. Against a background of typical rolling Pike County countryside, Mr. and Mrs. Marion Mackey and daughter, Joanne, proudly pose with this herd sire.

GENERAL INFORMATION

TIME — The show will be held at 9:30 a.m., and the sale at 12:30 p.m., Saturday, October 29, 1960.

LOCATION — The sale will be held at the Pike County Fairgrounds, Bowling Green, Missouri. Bowling Green is also located on Chicago & Alton Railroad between Chicago and Kansas City, Mo. Burlington trains will be met at near-by Louisiana if you will notify Marion Mackey, Clarksville, Missouri, of time of arrival. We will also make motel reservations for distant guests at either the Princess Motel, Myers Motel or Show-Me Lodge at Bowling Green.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE — All cattle will be sold according to the standard guarantee of the American Shorthorn Breeders' Association.

A certificate of registry and a signed transfer will be furnished for each lot sold, and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease, and health charts will be provided.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests. Every person attending must do so at his own risk. The sale manager was retained by the Pike County Shorthorn Ass'n for the specific tasks of preparing the catalog, handling the publicity and disbursing the receipts, and has no connection with the handling of the cattle or the condition of the premises.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

MAIL BIDS — Those wishing to buy at this sale, who cannot be present, may send their bids to the Sale Manager, Don Longley, of the Shorthorn World, 16 So. Locust Street, Aurora, Ill.; Ted Aegerter, American Shorthorn Breeders' Ass'n Representative, Seward, Neb.; Allan Sudholt, County Agent, Bowling Green, Missouri; Winston Ewing, Missouri Department of Agriculture, Jefferson City, Mo.; or to the auctioneers or consignors.

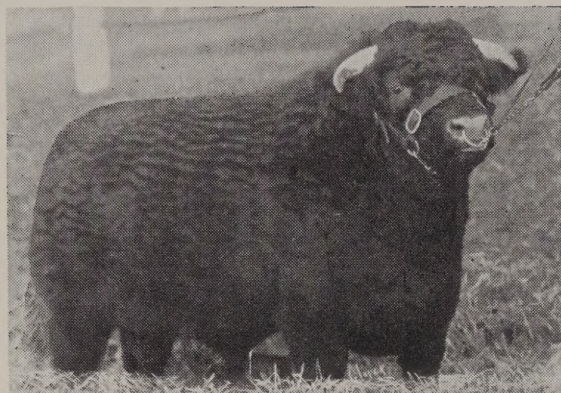

Auctioneer — C. D. SWAFFAR, Tulsa, Oklahoma

Sale Manager — DON LONGLEY, 16 So. Locust, St., Aurora, Illinois

CALF CLUB SALE

Approximately 8 Club Calves will sell starting at 12:15 P.M.

We are not certain as to the exact number, as we solicit club calf entries right up to the time of the sale.

Some of the greatest bulls of the breed are in service in Pike County . . . This is Findowrie Augustus, purchased for \$6,000, 1959 Leveldale sale by Charles Harness & Son. Second at Perth, 1959, and a consistent winner in leading shows in 1959. The four Harness heifers in this sale are bred to him.

I attempted to do a little quick research on the history of the Pike County Shorthorn Breeders' Association. However, since this sale is older than the breed magazine (which was established in 1917) it is a little difficult. We do know the Pike County Shorthorn sale was flourishing as far back as fifty years ago. If it is not the oldest Shorthorn sale in the nation, it is certainly the oldest sale of its kind . . . where a group of breeders all living within about 50 miles radius have joined together in working toward common goals.

The fact that a herd is old, doesn't necessarily make it good . . . but we all know that breeders who have been following a constructive program for many years have had the best opportunity to accumulate families of cows that take much of the gamble out for their customers.

The competition among the breeders in this Association, while always friendly, has been such that everyone had to stay on their toes to keep pace. Second rate herd sires won't do in Pike County. Nowhere in such a concentrated area will you find more top sires.

DON LONGLEY, SALE MGR.

The Shorthorn World,

Aurora, Illinois.

SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Pike County Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

Grade A (Superior)—Blue Ribbon:

The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

Grade B (Good)—Red Ribbon

These animals are good enough to improve a large percentage of purebred and commercial herds.

Grade C (Medium)—White Ribbon

These animals are average for the breed.

Grade D (Unclassified)—No Ribbon

These animals are undesirable breeding animals.

Judge: John Shuman, Colomeadow Shorthorn Farms, Deer Trail, Colorado.

MACBETH METAPHOR—Reserve senior champion at the 1960 Missouri State Fair. His $\frac{3}{4}$ brother was junior champion at the same show in 1959. We have never sold one with as much natural thickness. His picture shows that. His dam is by Leveldale Regalia, she is a grand-daughter of Cruggleton Johnston, that did so well for Kickapoo. I won't say more about this fellow, he will speak for himself.

Scotsdale Keewatin. One of the best breeding sons of the Perth champion, Calrossie Prefect. His first daughter sold for \$2,100 in the Toronto sale. He heads the herd of Dr. Glenn Miller, Hannibal, Missouri. He is the sire of Lots 2 and 3 and several of the females in their consignment.

WHY BREED MEDIOCRE CATTLE?

. . . when cattle like these can be purchased for reasonable prices.

Backed by generations of constructive breeding, the cattle that go into the Pike County sale have been acclaimed by good breeders from all sections of the country. Attend this sale. See how with just a small additional investment, you can pay for a top young bull or a foundation type female by shipping a worn-out cow or mediocre producer to market. Great herds are built by this kind of consistent upgrading. The time is now.

MACBETH PAYMASTER 6TH—Is the first Paymaster we have offered. He is young but coming very fast now and I know we shall be proud of him sale day. He stood 3rd at Missouri State Fair in August. His sire was Reserve junior champion at Perth in 1958. His dam is by Leveldale Regalia and she is an excellent granddaughter of Lawton Favorite, reserve grand champion at Perth some years ago. This calf is good enough and bred hot enough to deserve a top herd of cows. A half-brother by Morphe Paymaster was reserve junior champion for Mathers at the Ill. State Fair in August.

Pike County... Famous For Shorthorns Since 1870

Bo Wood Radcliffe by Leveldale Radcliffe. Grand champion bull, 1959 Pike County Show and Sale for Bo Wood Farms, Clarksville, Mo. Purchased for \$1,205 by Kallal & Darr, Jerseyville, Illinois . . . a new record price for a bull in this sale. Two half brothers, three half sisters sell.

Macbeth Ransom by Gladiator Successor 605. Reserve grand champion bull, 1959 Pike County Show and Sale for W. L. McIlroy, Louisiana, Missouri. Purchased for \$650 by Armor Bertz, Mayview, Mo. The McIlroy herd is selling eight bulls and eight female lots in this sale.

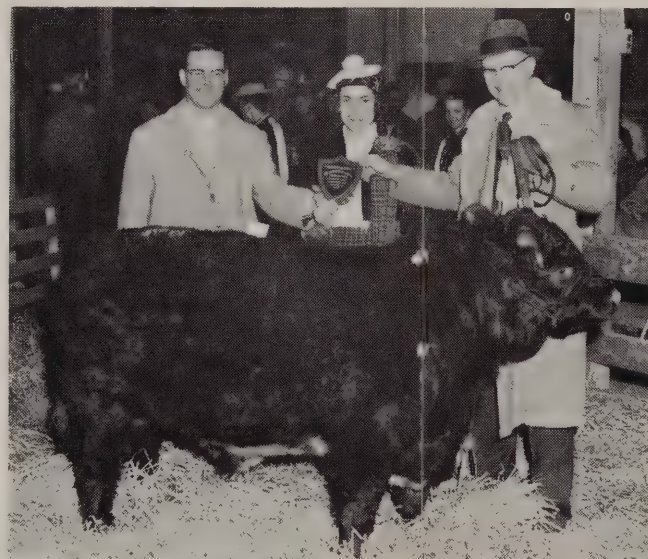

Macbeth Electra by Leveldale Regalia. Grand champion female, 1959 Pike County Show and Sale for W. L. McIlroy. Purchased for \$450 by William Smith, New Cambria, Mo. Sixteen lots from the McIlroy herd sell in this fall's sale, eight half sisters to this heifer.

For ninety years there has been an active group of Shorthorn breeders in Pike County . . . hard at work at the job of promoting Shorthorns and breeding top cattle. Pike County has been known for generations as a source of the kind that can strengthen herds everywhere.

All you need to do is to study the list of sires currently heading these herds. In almost every instance, they were brought to Pike County at prices from \$2,000 to \$7,000. For fifty years in Pike County, there has been a heritage of bringing in only the best sires. These breeders have always been willing to lay down the money for the right bull.

Experienced Shorthorn breeders recognize the unusual opportunities offered in Pike County sales . . . where annually the best productions of the members are sold. A list of those who have purchased in Pike County sales would include a big percentage of the top herds over a wide area . . . people like the Mathers, Billy Anderson, Ralph Bivin, Redline Farms, and many others . . . men who get around . . . who know good cattle and top values . . . regularly appear on the lists of Pike County buyers.

Marmac Coral King. Grand champion bull, 1960 Missouri State Show and Sale, for Marion Mackey, Marmac Farms, Clarksville. Sire, Phopachy King Charles. Half brothers and sisters are featured in the Marmac consignment.

Study The Herd Sires

Currently in Service in Pike County

No area contains a greater concentration of superior sires. This is not a new situation. For generations the best sires of the land have been coming to Pike County. The cattle purchased here are backed by years of the use of such bulls . . . by herds carefully culled for decades. That is the reason top cattlemen buy in Pike County. They know you get a lot out of these cattle . . . because Pike County breeders have put a lot into them. Attend this sale and see for yourself.

BO WOOD LUSTRE LAVENDER 22D—A real prospect for a brood cow. Her dam is a top individual and a heavy milker. This is one of the last Radcliffe heifers that will be sold. We will keep the rest. Will be bred to Edellyn Brave Boy by Edellyn Brave Knight. Vaccinated for Bang's.

Leveldale Radcliffe. Bo Wood herd sire. His first son was the grand champion and \$1,205 record top bull of this sale last year. In the 1960 Bo Wood is bringing out the Radcliffes in strength, selling two sons and three daughters.

MACBETH ELITE MADGE—One of the best ever sired by Leveldale Regalia. A half sister to our grand champion female at our 1958 show and sale and also to the champion heifer at our 1959 sale. Our last years champion heifer is now in calf to the \$13,000 Leveldale Oberon. Elite Madge should make a great show heifer next year. She stood third in August at our Missouri State Fair at one of the strongest shows Sedalia has had for quite some time. I want this heifer to have a good home.
